

Sat. night

Dear Mildred

I'm not in a studying notion so I think I'll write instead. It's been awful cold today. Has been snowing a little nearly every day since last Sunday. There's a little snow on the ground now and it's awful slick. Mary + her mother had a chance to go to Monroe City with a cousin of theirs this morning but they got to La Plata and come back because of the roads. Aileen went home yesterday; Pat went to his sister's at Clifton Hills and he goes through Moberly to get there so she went along. Helen stayed this week-end. Everybody is raving about Neal. The all think he is so cute. Mrs. Davis said you'd better not bring him up here because he'd sure get spoiled, ha! Aileen thought he was so cute and she wanted to take it along home + show it to her mother, so I let her take them.

Well, I have two finals off my mind, Current Affairs and Org. + Mgt. I'm expecting an S in the latter. I believe I got an E on the last test and an S or close to it on the final. We had 194 true + false questions for the final. Several of us helped Miss Peterson grade them (apple-polishing, ha!) and I got 174 right and I think

that will make an S. Theday before the finals  
I was in her office to get some things and  
she asked where I lived + she said something  
about going to Warren Co. every 2 weeks for ex-  
tension work. We talked about Eli Mittel + she  
was talking about what a good Supt. he was,  
she stayed with them one night and she said  
Mrs. Mittel was such a nice housekeeper  
and she laughed about how foolish they were  
over their little boy. She was just joking, ha!

Mon. I have finals exams in Eng. and  
only one other class of mine meets that day.

Tues from 8 to 10 I have History finals. Wednesday  
from 9 to 11 I have Hygiene and in the afternoon  
from 1 to 3 I have my final speech + reading  
in Eng. I'm through with Phy. Ed. too. We  
checked out our lockers Friday and we don't  
need to take a final in it.

Mrs. Davis said this morning that  
next week when I'm taking teacher's exams I  
should eat dinner with her for the hair-  
setting. ha! (doing right well).

I washed clothes this morning and  
ironed this afternoon. Also went uptown this  
afternoon. Thursday night Mrs. Davis, Katherine,  
Suzanne, + I went to 3 one-act plays at  
the Little Theater. They were real good. I'd try

who I told you that Katherine told me was Paul Ward from St. Charles is not him but Warren Hueseman. He was in one of the plays.

We've been having a lot of fun with Suzanne all week. She wants to put on so that everybody has her for a fool, including Mrs. Davis. She always uses such big words and everytime she uses one Mary acts real innocent and asks, "What does that mean?" and when she explains it, Mary says "Oh". She's always bragging about how smart she is so Mrs. Davis is taking one of us each day & telling her how smart we are, etc. ha!

Wednesday afternoon the Juniors gave a tea. I almost forgot all about it until the thing was about over but Katherine went with me & we stayed a little while.

Wednesday morning a Jewish Rabbi spoke in assembly. He was fairly good.

Oh, I forgot to tell you that every Mon. night they're having some kind of lecture at Kirk Auditorium. Mr. Clum is sponsoring them & he was mad that none or very few of the History students went. So he told us if we'd go this coming Mon. night (the night before finals) and write on our exam papers that we went he'd give us full credit for

one question even if we got it completely wrong. He's giving us 25 questions of which we have to answer 20.

Does this Rev. Mann have any children? Marie didn't write any of their plans but several places she wrote some things that sounded kinda funny. One place she was writing about the roads and she said that she decided that she didn't <sup>think</sup> she would care to drive daily in winter after this one is over.

Sometimes I think I might have just as good a chance of getting a school in St. Charles Co. If Dorothy Reuhl doesn't teach anymore I'm sure her school must have been a ~~second~~ second class school. Katherine said her mother wrote that the Defiance teacher wasn't wanted <sup>again</sup> next year but I'm sure that's a first class school. If Erna H. married I guess that's another chance.

I don't know about the others but Lucille has her 60 hrs. She + Ruby Hoffman graduated from Warrenton last spring.

Well, I think I'll quit for tonight. It's getting pretty late. See, I wish this week was over. Then, I'll start counting days. ha!  
Love,  
Ernice

Sun. night. —

Well, it's about bed-time again. I didn't go to church or S.S. this morning. Stayed indoors all day but didn't get much studying done either. Aileen hasn't come back yet, she intended to come back last night. Pat called <sup>last night</sup> and said that she was sick and ever coming back today but I don't believe she's coming now anymore.

Katherine talked to Martha D. this morning & she said that Nora Schemmer was coming up sometime after Easter to visit her.

Mon Morn. — Pat called again this morning & said Aileen had the flu. A tough time to

have that during finals. Mr. Davis is  
staying here this week - also not feeling  
well. Josephine is sick this morning &  
not going to school - maybe this afternoon.  
She's been studying too hard I think. Well  
I hope I don't get sick this week.  
Time to leave for my Goilock.

Eunice
