

Sunday night

Dear Mildred -

I'll try to write what I know which isn't much. Katherine + I went with Josephine and Fla May to the Baptist church and Sunday school this morning. I liked it a dozen times better than the Methodist church and S.S. The church is just packed every morning. This afternoon Katherine + I went walking a little.

Aileen came back Saturday night after being absent for two weeks. Suzanne moved out Saturday morning.

Monday night Suzanne + I went to the lecture at Kirk but it was no good. The assembly speaker in assembly, Wednesday morning, was very good. He was a deep-sea diver and showed some pictures. Thursday night Mrs. Davis, Helen, Katherine, Suzanne, + I went to a recital by Helen Day, one of the students, but ~~she~~ was no good.

I knew that Ruby Hoffner was Katherine's cousin. Katherine has had two dates with an osteopath this week.

If I can't get off <sup>next</sup> Thursday afternoon for the 1:20 bus maybe I could come home on the

bus which leaves in the evening, a little after five I think, but I guess mom wouldn't want that. It just as soon ride at night as during the day, I don't see any difference. I could be home at about 10:30.

There is only one 1a English class and only 15 in it. Only three girls - Martha Davis, Bonnie Lee Wells (I knew her before) and myself. It's the dumbest bunch I ever saw, including myself. Mr. Philias, the teacher, comes from the island of Cyprus. He's real dark and talks with an accent.

I can't think of much more to write. I wrote to Ruby B. this week, Aileen took some Warrenton Banner along & I see where Eli Mittel will be here this week-end to the big rural education meeting. He's leader of a certain division & will talk Sat. morning at 9 o'clock. I don't want to miss it if it is at all possible. I guess will be pretty busy this week-end & I want to hear as much of the lectures as I have time for.

Tuesday Katherine & I serve <sup>at sub meetings</sup>. I think will serve lime jello & cookies with St. Patrick Day napkins. I don't know yet where will meet but probably at Miss Pattersons so I guess tomorrow night will visit her & fix the things.

Love,  
Bernie.
