Monday afternoon

Dear Mildred,

If I don't get this letter written soon I'm afraid you'll never get it. Katherine & Anabelle are going to the show tonite to see "Bingham young" so they can take it along. Katherine, Anabelle, & I went to see Mary this afternoon and then we went uptown to get her something. Everybody's been giving her flowers and stuffed dolls & things so we got her a bottle of perfume. I almost forgot to tell you what was wrong with her. She's been at the hospital so long that I thought I had written you about it already. She had an attack of appendicitis last Tuesday night. She was in bed all day Wednesday, in the afternoon her dad came, & they took her to the hospital that night. She was operated on Thursday

morning. She was pretty sick for a couple of days but I think she's alright now. Her heart was beating too fast. It should be 70 & it was 140 when she was the sickest.

I don't know what to write about as usual. Have a test in Eng. & Am. Masterpieces tomorrow morning. I got an E on both the Masterpiece & Rural Ed. tests of last time. I got the highest grade in both classes. I got my first German Composition back today & got "gut!" on it. — But everybody else did too.

Tomorrow night we have a party at Mr. Hayden's home. He's giving a party for his advisees. This weekend we have our homecoming. Kirk Memorial dedication in the ^{Lat.} morning, football game in the afternoon, and dance at night. The Rural Leadership Club & Alpha Phi Sigma are both having floats & I'm also on the

committee for selling chrysanthemums.

Friday afternoon we have to go on a 3 mile field trip for Science class.

I dated an osteopath this week-end. Friday night I went to a house party at his fraternity house. Fay Cluny was also there. Lois Chamberlain, a girl from Bowling Green, asked me to go with him & double date with her. She knows Betty Willard. Saturday night we went to the show. His name is Ray Podoski from Detroit. He asked me to go to the next All School dance at the Osteopath School, which will be sometime in Nov. He's awfully nice, very polite but he's kind of short.

I think we are going to start our German Club pretty soon. Mr. Heyd mentioned it in class today.

I guess I'd better quit & get to

work. I've got so much left to do it
isn't even funny.

Aileen, Katherine, & I went to the
Methodist Church yesterday morning.
I got a letter from Marie last week.

Sis,

Ervice

P.S.

Marjorie teaches at Birchtree.

They had a Democratic meeting uptown
this afternoon. The Rep. candidates haven't
spoken at school yet. They were supposed to
speak last Friday but postponed it because
Wilkie was in the state. Now they intend
to come next Monday, the 98th.

Tell Neal he's getting along too fast.
