Sat. afternoon

Dear Mildred,

I can't say everything I want to on this card but I can't afford another stamp. ha! Well, I almost have the school in my hands now. Mr. Rutherford, the Supt., was here this morning & I'm going to Lemons Tues., wed. & Thurs. Board meeting ~~the~~ Tues. nite; observe the other teacher, wed. & take teacher's exams in Putnam Co. Thursday. My St. Charles Co. certificate is no good in Putnam County.

I thank a million for the formal!

I hope I get it in time. I think I'll have to cash the checks for my expenses to Lemons, but I'll remember when my first pay check comes. ha! I mean it.

I hope you aren't sacrificing anything for that money. Well, I hope I get the school, I'm love,
awfully excited.

ask mom + Esc for details.
