

Sunday evening.

Dear Mildred,

There's such a mess around here today I'm almost dizzy. The house is full now and Mrs. Davis and Mary sleeping in the basement or living room! Can you imagine? Three girls came today which makes a total of 10 girls without Mary + Mrs. Davis. One of the girls is Willa Ruth Brotherton, she rooms with Margaret. She's awful nice. The other two stay in Mrs. Davis's room. I haven't met them yet.

Katherine, Aileen, + I went to the Baptist church + S.S. this morning. Pat went to Kansas City this weekend so I've seen more of Aileen than usual. This afternoon the short term kids were coming in and out looking for rooms.

Yesterday I had a big wash and ironing and I also helped Katherine sew a skirt. I cleaned our room Friday afternoon.

I got an S on the Current Affairs test so I'll probably get an S out of the course even if I only get an M on the next test. I + one of the boys got second highest in the English test, Martha D. got highest. We'll have a test in Rural Education tomorrow morning.

I can't think of much to write. Haven't done much all week. I'm through looking up my locations for Geography. Tomorrow night (Mon.) Katherine +

I and Martha + Margaret Davis are going to help serve at a banquet at the Armory. It's some kind of Rotarian affair.

I forgot all about sending that Bluff Springs letter + didn't think of it until I read your letter. ha! I'll send it this time if I don't forget again, and also the pictures. Wide Awake school is in St. Charles County, isn't it? Isn't that were Lucinda M.E. taught last year?

None of the girls (old bunch) will be here next summer. This new girl, Ruth, is going to stay next summer. She seems nice + wants me to room with her. See, she's got the front bedroom now with Margaret that I'm going to have with Corinne next summer. But I didn't tell her <sup>(Mrs. Davis)</sup> for sure whether I'd take that <sup>front</sup> room with Corinne or the middle bedroom (which Ruth would probably take next summer). Corinne is nice but she's so big + fat, there won't be much room for me. ha! I don't know for sure what I'll do. You asked whether Corinne was popular. She's too fat to be popular, except with the girls.

I haven't seen anymore of L. J. and don't care to. I can't think of anymore to write so I'll quit. I don't need to go to her until Tuesday morning. Ruth wanted me to go with her to the show tonite - "Tragedy of Wrath" - but I have to study.

P.S. When you get Neal's Easter pictures developed, send them.

Love,  
Cunice.
