

U.S. NAVAL PERSONNEL SEPARATION CENTER
NORMAN, OKLAHOMA

HE'S COMING HOME!

This is the news you have been eagerly awaiting to hear. Your husband is being separated from the United States Navy this week after months of honorable service to his country.

This week has been crammed full of interviews and lectures in which we have explained his rights and benefits as a veteran, and have suggested a few things to prepare him to resume his place in the community.

My earnest prayer and hope is that his return to civilian life will be happy and that he will be successful in all his undertakings.

Very Truly yours,
Enoch Jones
Chaplain, USNR.
