

THE MARTHASVILLE RECORD, MARTHASVILLE, MO. Friday, November 28, 1930.

LAKE CREEK NOTES

Mrs. Elias Schweisguth and son William were in Wright City on business last Friday. Arnold Fuerman saved stove wood for Maupin Goltzman last Friday.

The following were guests of Mrs. Elias Schweisguth and family Sunday: Mr. and Mrs. John Lesman and son Oscar of Marthasville, Mr. and Mrs. Gus Berg and family of near Dutow and Mr. and Mrs. D. A. Hennecke and son Virgil of near Femme Osage.

Mr. and Mrs. Wm. Thilking and son Emmos and wife of Femme Osage were the guests of Herman Hinna and wife.

Mr. and Mrs. Wm. Strathman and family of Cappeln were the guests of Mr. and Mrs. T. J. Schweisguth of Dutow. Herman E. Berg and son had two successful coon hunts this season which netted them two 17-pound coons.

Henry Webnik opened the butchering season Monday by having a "hog killing time." Several other farmers are planning to follow suit in the near future.

Henry Schemmer delivered a fine lot of geese to New Melle Thursday.

George Brandt of Cappeln passed thru here enroute to Dutow Friday.

Frank Boland is busy spreading limestone on some land on which he intends to sow alfalfa next spring.

Come to think of it, we noticed in last week's issue of the Record where a fellow correspondent mentioned the capture of a 40-lb raccoon. Well, old timer, you had better give the actual weight of the raccoon next time and not that of the shepherd dog. We are from old "Mizzoo" and must be shown.

THE NEW CHEVROLET SIX HAS MANY IMPROVEMENTS

The introduction of the new Chevrolet Six marks the most impressive forward step in Chevrolet's twenty-year record of constant progress and improvement. For this Bigger and Better Six offers new beauty, new luxury, new completeness and new quality—yet it sells at lower price!

In every curve and sweep of Chevrolet's modern lines—in every detail of its new Fisher bodies, you will see the fine hand of the master designer and the skillful craftsman. And the more closely you inspect it, the more deeply impressed you will be.

The improvements in the new Chevrolet Six begin at the smart new chrome-plated headlamps and extend throughout the entire car. The radiator is deeper. The lines are longer and lower, giving an air of exceptional fleetness and grace. And the interiors of the new Fisher bodies provide a new degree of comfort

and luxury; greater roominess; fine quality mohair or broadcloth upholstery; more pleasing interior fittings; and a new, completely equipped instrument panel.

The chassis of the new Chevrolet Six has also been refined and advanced in a number of different ways. The frame is heavier, deeper and stronger than before. There is a smoother operating, long lived clutch; a sturdier front axle; an entirely new steering mechanism; an easier shifting transmission. In fact, every vital feature of the new car has been made better to provide more thorough satisfaction for the owner.

And along with these improvements, Chevrolet offers the smooth performance of a 36-horsepower, six-cylinder motor—four long semi-elliptic springs—four hydraulic shock absorbers—a safety gasoline tank at the rear of the car—and an economy of operation not surpassed by any automobile.
