Medical Association Makes Survey in Missouri

A survey to determine the number and ages of physicians in towns and rural areas in Missouri is being conducted by the Missouri State Medical Association. Dr. R. B. Beany, counselor of the Fourth District, is directing the survey in Warren county. Cognizant of the inadequacy

of medical care in some of Missouri's rural areas, the survey seeks to determine if there are any rural areas "where at least minimal medical and surgical care is not available to the inhabitants."

SCHOOL NEWS

School will not be in session Thursday and Friday due to the Thanksgiving holidays.

The Senior play, "Hook, Line and Sinker," will be given Saturday, Dec. 2. Come out for a real evening of entertainment and laughter.

The Parent-Teachers Association will meet Nov. 27. The orchestra and girls glee club has several selections and our county superintendent Eli Mittler will give an address. The public is invited to attend.

The Freshmen Class has again decided to collect waste paper. They will collect on a scheduled day each month. First collection will be made Dec. 1. Place your bundles of paper, magazines, catalogs or the like in a place where they can be seen from the street and the boys will pick them up. If you have some in the basement or attic and would like help carrying them out, call the high school or contact one of the Freshmen Class and this will also be done. We are sorry we are late getting started but until this time we were unable to find a suitable storage place. John Doerr has consented to let us store the papers for the time being in the old blacksmith shop.

AUGUSTA NEWS

THE OUTFITTERS

IT TAKES PLENTY OF WAR BONDS TO BUILD B-29s

THE WAR in the Pacific is the most costly war America has ever engaged in. It's simple arithmetic. A mountain of special, costly equipment is needed. B-29 Superfortresses used in the bombing of Japan cost \$600,000 in War Bonds. And this is just one of the many extra costly imple-

ments of war needed to achieve final victory in tin Pacific. That's why the 6th War Loan Drive is so important. That's why you must back it as generously as you have every other war loan drive. Invest in the next raid on Japan....

Again Thanksgiving time finds this world at war and unhappiness and sorrow throughout our land.

But even in these times and conditions there is a lot to be thankful for.

On this Thanksgiving day let us think of the many things we, who live in America, can be truly thankful for in spite of our troubles and sorrows.
